

Patron Program 2010

The Hayward Area Recreation and Park District invites you to become a Patron of Photography. Our Photography Program strives to bring quality classes, darkrooms and workshops to our community at affordable prices. The PhotoCentral Gallery presents photographic exhibitions of both local and nationally known artists. Your donation to PhotoCentral helps us continue to offer quality photographic experiences and facilities. All donors receive a certificate of appreciation and a 20th anniversary commemorative pin. Silver and Platinum Patrons receive a thank you gift of photograph by Geir and/or Kate Jordahl.
